Lessons, Semi Privates, and Privates also available

Our Mission:

To provide quality aquatic programs for children in all ethnic groups within the community with affordable programs that make a meaningful impact, while at the same time developing the physical, mental, and athletic abilities of the participants to help them contribute at the highest level, either competitively or non-competitively.

We strive not to turn any swimmer away due to an inability to pay. If your familly qualifies for free /reduced lunch we can help.

Head Coach Jason (713) 419-0716
